SPONSOR PROSPECTUS

To Potential Sponsors,

We are pleased to invite you to be part of 28th International Complement Workshop to be held in Berlin, Germany, from September 18th to 23th, 2021.

This ICW Berlin 2021 meeting will be the first Complement meeting after now two years and it is time to learn about new developments, to present, discuss the latest results with colleagues and experts, and last but not least and most importantly - after all this time - have personal exchanges with your friends and colleagues in the field.

This is also the chance for you to have close discussions with key researchers in Complement. Several sponsor opportunities are available for companies looking to speak with new customers and reinforce existing relationships. We expect ICW 2021 to be an well-anticipated meeting after the COVID-19 time; and with your support and presence, we hope to make ICW an even more unique experience. In the next pages you will find a list of different sponsorship offers; but should your company have a creative idea for a sponsorship not listed here, please contact us and we will take your suggestion into consideration.

We look forward to hearing from you and having you be part of 28th International Complement Workshop.
